RBSA is a working club and member assistance is necessary to keep fees low. For example, all boats share the duty of Race Committee (RC). We also need assistance with RC support for special events and help with race marks. Please let us know (619 818-0117) as to how you are willing to help.

I agree to abide by the regulations and sailing instructions for RBSA events. In consideration of being permitted to enter these events, being knowledgeable of the risk of competitive sailing and knowing that it is my sole responsibility to decide whether to enter or continue any race. I voluntarily assume the risk of participation in these events and specifically release RBSA and the people conducting the event from all liability in connection with any injury or damage that may occur.
